100% OF PROFITS DIRECTLY SUPPORT CONSERVATION IN SOUTHERN BELIZE.

**BOOK A TOUR NOW**

Take a tour with EcoTourism Belize to have a great adventure and support the protection of wildlife and wild places in Toledo. All our tours take place in the Maya Golden Landscape (MGL) in southern Belize, and 100% of our profits directly support conservation in this area.

The MGL is a site of significant global biodiversity importance, providing protection to a myriad of rare and endangered species and all five cat species endemic to the region. The MGL plays a vital role in maintaining clean air, medicinal plants, food, and good water quality for communities and for the Belize Barrier Reef System, a World Heritage Site.

EcoTourism Belize is the eco-tour arm of Ya'axché Conservation Trust. By supporting us you are helping to achieve our vision for **harmony between nature and human development for the benefit of both.**

## Ranger for a Day

Join a local Maya ranger for an unparalleled experience of the Belizean jungle on an official Ranger for a Day and River patrol within the 15,441-acre Golden Stream Corridor Preserve (GSCP). This unique experience will give you the opportunity to play an important role in the protection of this vital forest corridor.

US\$55 per person for a foot patrol. 4 hours. Includes lunch.

## River Patrol

As an honorary ranger, you will contribute to the daily wildlife logs; record key species of mammals and birds along the riverside trail and learn how our rangers detect signs of hunting. You will hone your own detective skills as you learn to identify jaguar, puma and tapir tracks, pick out the unique call of the Montezumas oropendola and spot toucans, hummingbirds, and curassows.

US\$95 per person for a river patrol. 4 hours. Includes lunch.

## Birds of Belize

Join a specialist ranger for bird monitoring and birding at our GSCP for the chance to view the olivaceous woodcreeper, keel-billed toucan, black-headed trogon, anhinga, ringed kingfisher, white-collared manakin, rufous tailed hummingbirds and western slaty antshrike, as well as migratory birds such as the olive sided flycatcher, blue grosbeak, peregrine falcon, eastern wood pewee, and magnolia, Kentucky, and yellow warblers.

US\$55 per person. 4 hours, early morning of birding starts at 6am. Includes lunch.

To book an ecotour, there must be a minimum of 3 participants. Booking for international guests is 15 days in advance and for local guests is 7 days!

You can also check us for confirmation of booked tours if you may wish to join another group.

Transportation and meal services available.
